# REPORT ON FACULTY FEEDBACK ANALYSIS

| Programme Name | Department Name | Academic Year | Semester |
|---|---|---|---|
| UG (B. Tech) | CIVIL ENGINEERING | 2022-23 | I |

1. **How do you rate the programme offered in terms of the load of courses in different semesters?**
   Majority of the faculties i.e 72% have rated that programme offered in terms of the load of courses in different semesters is excellent, 21% of the faculties have rated that it is very good, and 7% of the faculties have rated good.

2. **How do you rate the availability of the text and reference books in the market?**
   72% of the faculties have a opinion that the availability of the text and reference books in the market is excellent, 14% of the faculties feel that it is very good and 14% of the faculties fee that it is good.

3. **How do you rate the quality and relevance of the courses included in the curriculum?**
   79% of the faculties feel that the quality and relevance of the courses included in the curriculum is excellent, 7% of the faculties feel that it is very good, and 14% of the faculties feel that it is good.

4. **How do you rate the treatment of the students irrespective of their background (gender, caste, community, creed, etc.) in teaching and evaluation?**
   71% of the faculties is observed that treatment of the students irrespective of their background (gender, caste, community, creed, etc.) in teaching and evaluation is excellent, 7% of the faculties feel that it is very good, and 21% of the students feel that it is good.

5. **How do you rate the ambiance of the College for effective delivery of the academic process?**
   72% of the faculties feel that the ambiance of the College for effective delivery of the academic process is excellent, 14% of the faculties feel that it is very good and 14% of the faculties feel that it is good.

6. **How do you rate the courses in terms of their relevance to the latest and/or the future technologies?**
   79% of the faculties have a opinion that the courses in terms of their relevance to the latest and/or the future technologies is excellent, 21% of the faculties feel that it is very good.

7. **How do you rate the outcomes that your student has achieved from the courses?**
   Majority of the faculties i.e; 64% have rated that the outcomes that your student has achieved from the courses is excellent, 29% of the faculties have rated that it is very good, and 7% of the faculties have rated that it is good.

8. **How do you rate the transparency of the evaluation system in the College?**
   Majority of the faculties i.e; 72% have rated that the transparency of the evaluation system in the College is excellent, 14% of the faculties have rated that it is very good and 14% of the faculty have rated it as good.

9. **How do you rate the college activities that help your students in getting jobs on campus or off campus?**
   72% of the faculties feel that the college activities that help your students in getting jobs on campus or off campus, 21% of the faculties feel that it is very good and remaining 7% of the faculty have rated good.

10. **How do you rate the transformation of your students after the completion of course?**
    64% of the faculties have a opinion that the transformation of your students after the completion of course is excellent, 29% of the faculties feel that it is very good, and 7% of the faculties feel that it is good.

## REPORT ON FACULTY FEEDBACK ANALYSIS

| PROGRAMME NAME | DEPARTMENT | ACADEMIC YEAR | YEAR/SEMESTER |
|---|---|---|---|
| UG(B.Tech) | ECE | 2022-23 | II/I |

**1. How do you rate the program offered in terms of the load of courses in different semesters?**

Majority of the Faculty members i.e., 68 % have an excellent opinion that the program is excellently defined for all courses in a way to clarify teaching goals and meet expectations of students in different semesters, 22 %Faculty members have very good opinion on this aspect and 10% Faculty members have good opinion.

**2. How do you rate the availability of the text and reference books in the market?**

Regarding the analysis report, we could observe that, 72 % of the Faculty members said that the availability of the text books and reference books in the market is excellent and 28% of the faculty members feels that the availability of books for concern courses in the market may be improved.

**3. How do you rate the quality and relevance of the courses included in the curriculum?**

The Faculty members 81% feel that the quality and relevance of the courses included in the curriculum is excellent and 19% of the faculty members feel that some other topics also can be included in the courses·

**4. How do you rate the treatment of the students irrespective of their background (gender, caste, community, creed, etc.) in teaching and evaluation?**

All the faculty members feel that they not at all showing any favoritism towards the students in the teaching and evaluation irrespective of their background i.e., gender, caste, community, creed, etc.

**5. How do you rate the ambiance of the College for effective delivery of the academic process?**

The Faculty members 64% rated that the college is providing excellent ambiance for effective delivery of the academic process 23% of the faculty members feel that the ambiance is very good for effective delivery of the academic process and 13% faculty have good opinion.

**6. How do you rate the courses in terms of their relevance to the latest and/or the future technologies?**

The Faculty members 86 % rated that the courses in terms of the relevance to the latest and/or the future technologies is excellent in their opinion and 14% of the faculty members feel that this aspect is very good.

**7. How do you rate the outcomes that your student has achieved from the courses?**

Most of the faculty members i.e., 69% feel that the outcomes, that the students have achieved are excellent and 31% of the faculty members feel that outcomes of the student's are in a good range

**8. How do you rate the transparency of the evaluation system in the College?**

All faculty members gave the same opinion for this question that the college is showing excellent transparency in the evaluation system.

**9. How do you rate the college activities that help your students in getting jobs on campus or off campus?**

The faculty members 65% feel that the college is providing excellent opportunities that help the students in getting placements. The faculty members 25%feel that some students are not utilizing the opportunities provided by the campus and 10% of the faculty members feel that many of the students will get job opportunities if they work hard in the activities of the college.

**10. How do you rate the transformation of your students after completion of course?**

Maximum number,i.e., 81% of the faculty members feel that most of the students are transforming in an excellent way after completion of their course. 13% of the faculty members feel that some of the students only are capable adapt to the transformation after completion of the course,and 6% of the faculty members feel that transformation is depending upon their future needs and requirements.
