Dear Sir/Madam,

This is in reference to your application for the One week National Level Online STTP on "Fundamentals of RADAR Signal Processing - 2" w.e.f. 12/08/2020 to 17/08/2020 organized by ECE Dept. of RISE Krishna Sai Prakasam Group of Institutions, Ongole.

I want to inform you that your application for this STTP has been accepted and your participation is confirmed. The detailed schedule is attached. You have to attend Sessions through G-Meet. The G-Meet login link details have been provided below. The time-table of STTP is attached for your reference.

Read the following instructions carefully before joining the STTP online.

G-Meet Details:

G-Meet ID is the same for all sessions for all days for all participants. Join the sessions online at least 20-30 minutes before the start of the session.

Topic: STTP on "Fundamentals of RADAR Signal Processing-2"

Time: Join 20-30 minutes earlier than scheduled sessions.

Google Meeting Link:

<https://meet.google.com/qns-buip-imy>

Session Timings: 11:30AM to 12:30PM

Note: The schedule may vary during the program, if any session is postponed then it will be communicated in advance in whatsapp group, I suggest all the members to join in any of the whatsapp group to get updated information further and communicate with the resource person.

The given schedule is a tentative schedule and it may be extended depending on the contents of sessions and the resource person interest.

Whatsapp Link:

1. <https://chat.whatsapp.com/F7H0NBjHHyzJFbkclLUZyx>

2. <https://chat.whatsapp.com/JkXd6mHTcVtGtneJV9upzT>

Important Points about G-Meet sessions:

- We are using a professional version of G-Meet as G-Suite and it creates a session wise log of participants, their entry time, exit time, and duration for which they attended the session. This log shall be used for marking attendance. So, all participants are requested to **login their G-meet accounts with their email ids registered in Google form for applying this STTP**. Also keep your G-meet name the same as your name registered in Google form.
- The number of participants is large and there may be bandwidth issues due to videos of participants, so, all participants are required to join G-meet sessions with only audio voice not with video (**Kindly keep your video off**).
- **Keep your mike in mute mode** and ask you questions (if any) only by writing in the chat box preferably at the end of lecture. You can also ask your questions on the whatsapp group.
- **We request all the participants to register through whatsapp link for further communications regarding STTP**

Wish you all a happy learning
