Important Points about Zoom sessions:

- We are using a professional version of Zoom and it creates a session wise log of participants, their entry time, exit time, and duration for which they attended the session. This log shall be used for marking attendance. So, all participants are requested to **login their Zoom accounts with their email ids registered in Google form for applying this FDP**. Also keep your Zoom name same as your name registered in Google form.
- The number of participants is large (around 547) and there may be bandwidth issues due to videos of participants, so, all participants are required to join Zoom sessions with only audio voice not with video (**Kindly keep your video off**).
- **Keep your mike in mute mode** and ask you questions (if any) only by writing in the chat box preferably at the end of lecture. You can also send your questions by email.
- We request all the participants to register through whatsapp link for further communications regarding FDP

Wish you all a happy learning.
