

The World Happiness Day

भारत की आजादी का अमृत महोत्सव

Dr. Anil D. Sahasrabudhe
Chairman, AICTE

“Happiness is platinum standard in Social & Emotional aspects of learning (SEAL) recognised by UN.”

A happy institute alone can produce successful contributors to the society. Institutes must strive for collective happiness. While I appreciate one or two names from each institute that shine in their advertisements. There's an old saying, "One sparrow does not a summer make" All aicte institutions must strive to get a platinum band of happiness!
