GUEST LECTURE ON INDUSTRY – ACADEMIA CONCLAVE, 2017 BY APITA, GOVT. OF ANDHRA PRADESH DT. 14 JULY, 2017:

ABOUT SPEAKERS

1. Mr. Winny Patro, CEO (Additional), APITA, Govt. of Andhra Pradesh

Winny Patro is known for his leadership skills in setting up and scaling up organizations. He is the Business Advisor to PadmaShri Dr. Arunachalam Muruganatham (regarded as one of the top 50 greatest leaders in the world by Fortune) and also advisor for few growth stage startups in India.

Till recently, Winny Patro served Government of Andhra Pradesh in building globally connected entrepreneurial ecosystem. With his prior experience as an entrepreneur and business consultant, he transformed low performing Govt organizations into a very high performing in less than one year.

Earlier, Patro co-founded 3 ventures in digital/e-commerce space and mentored 5+ startup founders. Alongside entrepreneurship, he spearheaded consulting projects in setting up and scaling up of e-commerce businesses for medium-large size retailers in fashion and sport goods.

Besides these, Winny Patro is a passionate coach. He mentors many students in technology, management and entrepreneurship related areas. He is also a Guest faculty on E-commerce & Modern Online Branding/Marketing at Institutes like IIM-Indore (Mumbai Campus), IIT Gwalior, etc

He is a post-graduate from IIM Calcutta along with the certificate of appreciation for providing free consultancy services to NGOs in West Bengal. Prior to MBA, he founded an NGO, Generation Zaagruthi, which works towards developing life skills among under privileged children. He has a degree in Electronics & Instrumentation Engineering with accomplishments in the field of Bio-Medical Instrumentation.

2. Mr. Jignesh Talasila, CEO, Loop Reality:

Mastered the art of creating immersive assessments through contextual simulations & non-contextual games in VR. With a passionate team of Hackers & Psychologists, innovating the ways to effectively assess personality, behavior & cognitive abilities of a candidate to find his/her true potential & culture fit, at a modern workplace.

Valluru,-523272, Ongole, Prakasam District

Being one of the pioneers in Indian VR scene, Jignesh has been advising innovation teams of MNCs and Govt. organizations, to find immediate ways for technology adoption. He has also taken a long journey of creating awareness and evangelizing the technology by building a VR/AR community through Bonfire VR.

During his tenure with Conduira Online, India's leading e-training portal for competitive exams, he did spend time launching, leading & growing sales. His prior career included the startup he established with a group of enablers in developing parallel practical curriculum for K12. Through Dirt9 Education his team could create a strong positive impact in learning methodologies for more than 2,000 students.

During his tenure at Accenture, he worked with a leading premium fashion retailer in risk mitigation & market trend analysis.

His passion to foster innovation & entrepreneurship made him bring up a science & activity center at his alma mater GITAM University, which has brought more than 15,000 students to collaborate & develop through diverse projects driving social impact in 10+ verticals. He has been one of the top contributors for the projects like Solar Car & Hydel Powered Water Pump for agriculture along with the robot that was presented at National Lunabotics competition at NASA.

His background in core mechanical engineering got him hands-on experience in R&D through his work on coatings using nano materials for a project from VRDE (Vehicle Research & Development Establishment), a unit of DRDO.

1. Mr.Murty Indrakanti, CEO, Lave Consulting Services

Murty Indrakanti , the C.E.O and founder of LAVE Solutions, is a seasoned pre-sales, project delivery executive, and strategist.

With over 25 years of successful track record, Murty holds an expertise in solutioning, stakeholder management at various CXO levels, Innovation management, Contract management, Service Delivery, Demand management, Financial management and Managing communications and expectations.

RISE KRISHNA SAI PRAKASAM GROUP OF INSTITUTIONS

(Approved by AICTE & affiliated to JNTUK, Kakinada) NH-16,
Valluru,-523272, Ongole, Prakasam District

As a former Vice President in Accenture, Project Executive in IBM and a senior Manager in ING Bank, Murty handled over 500 resources across various countries and domains such as Government, Banking, Telecom, Healthcare, and Retail.

His zeal to learn earned him a Master's in Computer Science during his early years from BITS Pilani. He continued to pursue his thirst for knowledge by completing his Master's in Business Administration soon after. He is certified as a Solution Architect, IBM certified PMP as well as an Information Security Lead Auditor (BS27001).

Murty is conducting faculty development program along with NIT-W on Big Data, Data Security and Privacy, Soft skills and Business Analytics programs.

Currently, following his mantra that learning never stops, he is pursuing his PhD in Business Analytics from NIT Warangal.
