PROCEDURES FOR ANTI RAGGING

PURPOSE

Ragging is a major offence in RISE Krishna Sai Prakasam Group of Institutions, and the campus takes it very seriously. As part of its anti-ragging campaign, the Supreme Court of India has classified "ragging" as a criminal act.

SCOPE

This policy is designed to guarantee that RISE is a ragging-free campus. As a means of raising knowledge of the legal provisions and the necessity to adhere to the Policy in order to ensure that the campus, hostels, and other locations that are regarded vulnerable to the perpetration of such an offence are free of ragging.

A PENALTY FOR RAGGING IS IMPLIED.

Any or all of the following penalties may be imposed on persons found guilty of ragging at the institution level, depending on the specifics of the offence and its severity as determined by the Anti-Ragging Committee:

- One of the most common punishments is a suspension from all academic activities.
- Withholding/withdrawing advantages like scholarships and fellowships.
- Third, not taking advantage of campus placements/recommendations that are available
- Denial of participation in any test/examination or other evaluation procedure
- Denial of the privilege of participating on behalf of the university in any regional, national or international event or competition.
